

Our Rapid Shade Sails Made To Order

Fax to: +61 3 9571 7344

- Simply give us the size of your membrane and if not a rectangle or square, the diagonals as well.
- We will work you out a price for your sail.
- Our costs are very competitive as we manufacture in house and hold stock on a wide range of materials.
- Our quote will include freight, stainless steel D rings and GST
- For projects that require shade only we recommend shade mesh or shade cloth.
- For projects that need waterproof shade material we recommend canvas & architectural PVC.
- Most sails for domestic use are triangular, square, polygonal or hexagonal but we can make standard shapes or special shapes if needed.

Other shapes please draw here:

Side Lengths i.e (a) -(b)	Triangle	Square	Polygon	Hexagon	Other
	(feet / meters)				
Shade Only Required (yes/ no)			Waterproof & Shade required (yes/no)
